

## **Organ Donation Toolbox-Conditions of Use**

The Organ Donation Toolbox (“Toolbox”) is maintained by the Organ Donation and Transplantation Alliance (“Alliance”) as a reference tool to benefit and support the organ donation and transplantation community of practice. The Toolbox content (e.g. text, guidelines, practices, policies, procedures, checklists, study results, hyperlinks) (“Content”) is provided by volunteers who have found the materials useful in their own practice and operational settings. The Content has been placed in the Toolbox for the background information of users. The Content is *not* intended to replace the professional judgment of persons who decide to use Toolbox Content in their own practice setting. Any person using the Content does so at their own risk. YOUR USE OF THE TOOLBOX CONSTITUTES YOUR AGREEMENT TO BE BOUND BY THESE CONDITIONS OF USE. If you do not agree, please do not use the Toolbox.
