

## **Transplant Quality Resource Manual - Conditions of Use**

The Transplant Quality Resource Manual (“Manual”) is maintained by the Organ Donation and Transplantation Alliance (“Alliance”) as a reference tool to benefit and support the organ donation and transplantation community of practice. The Manual content (e.g. text, guidelines, practices, policies, procedures, checklists, study results, hyperlinks) (“Content”) is provided by volunteers who have found the materials useful in their own practice and operational settings. The Content has been placed in the Manual for the background information of users. The Content is *not* intended to replace the professional judgment of persons who decide to use Manual Content in their own practice setting. Any person using the Content does so at their own risk. **YOUR USE OF THE MANUAL CONSTITUTES YOUR AGREEMENT TO BE BOUND BY THESE CONDITIONS OF USE.** If you do not agree, please do not use the Manual.
