Speaker Biography

Dr. David S. Goldberg, MD MSCE
Assistant Professor of Medicine, University of Pennsylvania,
Medical Director for Living Donor Liver Transplantation
Philadelphia, PA

Dr. Goldberg is an Assistant Professor of Medicine at Penn and Medical Director for Living Donor Liver Transplantation at the Hospital of the University of Pennsylvania (HUP). Dr. Goldberg's research interests include evaluation of the epidemiology of end-stage liver disease, geographic variation in access to organ transplantation, population-level outcomes of patients with end-stage liver disease, surveillance for hepatocellular carcinoma, organ allocation, utilization and outcomes in living donor liver transplantation, and treatment of hepatopulmonary syndrome.

He received his medical degree from Mount Sinai School of Medicine, and completed his internship and residency in internal medicine at New York Presbyterian Hospital-Columbia University Medical Center. He subsequently completed fellowships in gastroenterology and transplant hepatology at HUP and a Masters in Clinical Epidemiology at Penn.
